Alumni Network Information Management System (ANIMS)

ANIMS is a web-application to create a never-lasting bonding between Alumni and Institute/Alma mater. A strong alumni network is not only the best way of building personal and professional relationships but also a secret source to boost energy. We provide a common platform for the alma mater as well as alumni of the institutes to reach out to other alumni of various years, batches, branches, and interests.

Key Benefits Alma mater

- ✚ One Account to Build and Maintain an Updated Alumni Database
- ✚ Identify and Showcase Alumni Achievers
- ✚ Involve Alumni in Future Development
- ✚ Let Alumni Know about your development with a single click
- ✚ Instant and Targeted Communication
- ✚ Manage Chapter, Batch, and Special Interest Groups
- ✚ Help alumni by sharing various opportunities and leveraging the network
- ✚ Plan and Organize Successful Reunions/Alumni Meets
- ✚ Raise Funds from Alumni via seamless online payments

Key Benefits Alumni

- ✚ One Account connects with all Alma Mater
- ✚ Share your awards and achievements with a single click to all Alma Mater
- ✚ Stay connected with all your friends just with a single click
- ✚ A unique platform to create a strong social and professional network
- ✚ Actively seek references to available career opportunities

Salient Features

✚ All future up-gradations are free to the end users	✚ Minimum operator requisite
